

Senior Insurance Company

Is It

Legit?

History

Senior Life Insurance is legit, it was established in 1970, and the company boasts over 50 years of industry expertise.

The user-friendly policies cater to individuals up to 85 years old, irrespective of existing health conditions.

Its main goal is to assist families in preparing for significant end-of-life expenses.

Senior Insurance Coverage Focus

Provide Life Insurance Plans

(Premium Only)

- Senior Insurance offers a range of policy options to accommodate the diverse needs of our clients.
- The offerings include both whole life insurance and term life insurance plans, each with its own unique features and benefits.

Meet unique needs and concerns of older adults

- The whole life insurance plans provide lifelong coverage, ensuring that your loved ones are protected no matter what life may bring.

Tailor to meet Clients specific needs.

- Term life insurance is an excellent choice for individuals looking to cover specific financial obligations,
- such as mortgage payments or college tuition, during their working years.

Pros of Senior Life Insurance

- Skip the Medical Exam
- Guaranteed Issue Whole Life Insurance
- Return of Premium Term

Cons of Senior Life Insurance

- Slightly high Coverage Limits
- Limited Policy Selection
